25X1 17. [ ] LIAISON Pete Bonner, Senate  
✓ Appropriations Committee staff, called to say that he was doing up  
some thank you notes to people he had contacted on his trip in January.  
He said he was forwarding them via the daily courier for delivery.

25X1

25X1 19. [ ] LIAISON Jack Brady, Chief of Staff,  
House International Relations Committee, called and asked if we could  
get him a map by 16 February just like the one we had formerly given to  
Chairman Edward P. Boland (D., Mass.), House Permanent Select  
Committee on Intelligence. I told him we could accommodate his needs.

25X1 20. [ ] LIAISON I called Ken McLean, Staff  
Director, Senate Banking, Housing and Urban Affairs Committee, and  
told him we had reviewed the enclosure to our 7 February 1978 letter and  
decided that all but one paragraph could be declassified. He said that would  
be fine. He had no problem with maintaining the classification on the one  
paragraph.

25X1 21. [ ] LIAISON Hans Binnendijk, Senate  
Foreign Relations Committee staff, called saying that the paper he is pre-  
paring on the air balance in the Middle East does not quote CIA in any part.  
He added that one of the tables he was using on numbers did reflect CIA  
estimates and since he had promised to allow us to see those portions of  
his report containing CIA information he said he would send it to us for  
review.

25X1 22. [ ] LIAISON Spoke with Mary Brooks, on the  
staff of Representative Morris K. Udall (D., Ariz.), to bring her up to date  
on Agency action in response to a constituent, Mrs. Janet Martinez Bernal,  
who has a Privacy Act request with the Agency. I told her that we were  
processing the request for Mrs. Bernal but could not proceed with her  
husband's request without a signed and notarized statement from him which  
25X1 we have not received. I also agreed to send her the copy of [ ]  
25X1 [ ] Information and Privacy Coordinator, letter to Mrs. Bernal.  
She appreciated the update.
